

Here are some **1 Shot color mixes I have picked up over the years**

**Avocado:** Some Emerald Green to Metallic Brass and it is real unique avocado color

**Apricot Dark Version:** Ivory, Chrome Yellow and Fire Red

**Apricot Light Version:** Ivory, Lemon Yellow and Vermilion

**Battleship Grey:** Reflex Blue, Yellow, Black and a lot of White

**Beautiful Brown:** Fire Red and Emerald Green, Reddish Brown

**Beautiful Tan:** Chrome Yellow and Purple for a rich, warm tan

**Medium Blue:** Reflex Blue, Medium Gray

**Blood Red:** Bright Red, Purple and a little Black

**Brown:** Bright Red and Emerald Green

**Camel:** Brown, Imitation Gold and Chrome Yellow

**Dark Grey:** Brilliant Blue and Orange

**Flesh:** Salmon color, mixed in some white to lighten then added chrome yellow for brightness

**Flesh:** Ivory, Orange and Maroon

**Flesh:** Yellow, Brown and White

**Flesh tones:** Maroon, Yellow, drop of white

**Rat Fink Green from Ed Big Daddy Roth:** Emerald Green and Lemon Yellow

**Green (Kiwi):** Process Blue and Chrome Yellow

**Grey:** Orange and Blue

**KC Teal:** Process Green, Process Blue and white

**Lavender:** Magenta and Process Blue

**Lime Green:** using 142L and 132L and either substituting or adding 130L will add to coverage, and let's not forget 101L

**Lime Green:** Primrose Yellow with a little Process Green and a drop of White

**Lime Green Effect:** brush Reflex Blue Metallic over a dry Lemon Yellow base

**Lipstick:** Magenta, white and a drop or two of orange

**Bright Orange:** Chrome Yellow and Magenta

**Hot Orange:** Four parts Lemon Yellow, one part Magenta

**Neon Orange:** Bright Red, Primrose Yellow, three drops Magenta

**Old Gold:** Lemon yellow and add purple by the drop

**Olive Green:** Chrome Yellow mixed with black

**Olive Green:** Process Green, Imitation Gold, Tan and Brown

**Pumpkin:** Med Orange with Coral added

**Pumpkin Color:** Medium Brown and Orange

**Purple:** Magenta, mixed with Reflex or Brilliant Blue

**Radon Blue:** Brilliant Blue 60%, Light Blue 40%; nice intense blue with good coverage.

**Red:** 50/50 Red equal parts Fire red and Bright red

**Rust Color:** Medium Brown Fire Red

**Shop Rag Pink:** Imitation Gold, Maroon to taste

**Skin Tones:** Orange, White and Black

**Slime Green:** Emerald Green with Lemon Yellow added until intensity is reached

**Slime Green:** Chrome Yellow and Brilliant Blue

**Tangerine:** Magenta and Chrome Yellow

**Teal:** Process Blue and Emerald Green

**Teal:** Process Blue and Process Green
